Welcome to My3 Ltd  
Live – Learn - Grow

My3 Limited Head Office: Foundry House, Suite 2, Waterside Lane, Widnes, Cheshire. WA8 8UD.

My3 Limited Company Address: 300 St Marys Road, Garston, Liverpool. L19 0NQ

## Admissions

Local Authorities place children and young people with us in recognition of the need to address their complex additional needs in a highly customised learning and care environment.

My3 Limited accept referrals from a range of sources and invite interest from parents and carers, including visits to our homes and our school - Wood Edge Independent School.

The formal admission process comes as a result of referrals being agreed with local authorities who agree to meet the placement fees.

## My3 Referral Process

After an initial enquiry, and an evaluation to ensure My3 Services can meet the specific needs of the young person in question, we like to invite parents, carers and/or professionals for a visit. After a detailed discussion about the suitability of our residential settings and school, we can then set up reciprocal visits by visiting the young person in their current setting and inviting them to visit us.

By maintaining regular contact, sharing information, and organising visits as described we're much more able to properly assess whether we can meet the needs of a specific child, young person or young adult and offer a placement. Prior to acceptance of the referral, an assessment of appropriateness for admission is completed by the Therapeutic Team.

Admission to a new setting can be an anxious time for parents / carers and young people. We want you to feel welcome and fully informed. My3 aims to ensure our admissions process is well-planned, inclusive and a positive experience for everyone involved.
