

My3 Partnerships

bild

**Edge Hill
University**

My3 is partnered with Edge Hill University and has access to the high-class facilities, training opportunities and has an employment pathway for students.

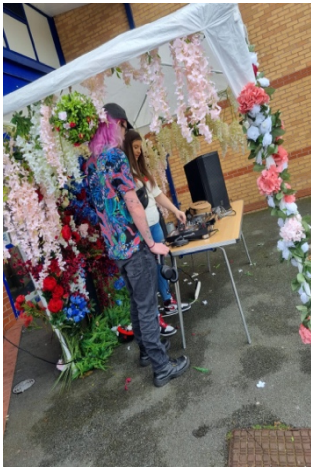

My3 staff have specialised CPI Safety Intervention, formerly known as, MAPA training. The programme allows therapeutic strategies to be embedded to prevent and/or intervene in crisis situations. With a focus on prevention, it also teaches staff de-escalation skills as well as non-restrictive and restrictive interventions.

My3 is a member of BILD (British Institution of Learning Disabilities), and is currently enhancing Positive Behaviour Support with BILD's CAPBS Practice Leadership Programme

As a member of the Restraint Reduction Network, My3 has signed the pledge to reduce restrictive practices. We promote a therapeutic and nurturing environment

My3 works closely with Ofsted & the Care Quality Commission as our independent regulatory bodies ensuring we apply the highest standards and adhere to compliances within each service.

July 2022 My3 limited Summer Fete - event at Netherton Park Neighbourhood Centre where all My3 services and the local community came together to enjoy a day packed with fun, health, and happiness
